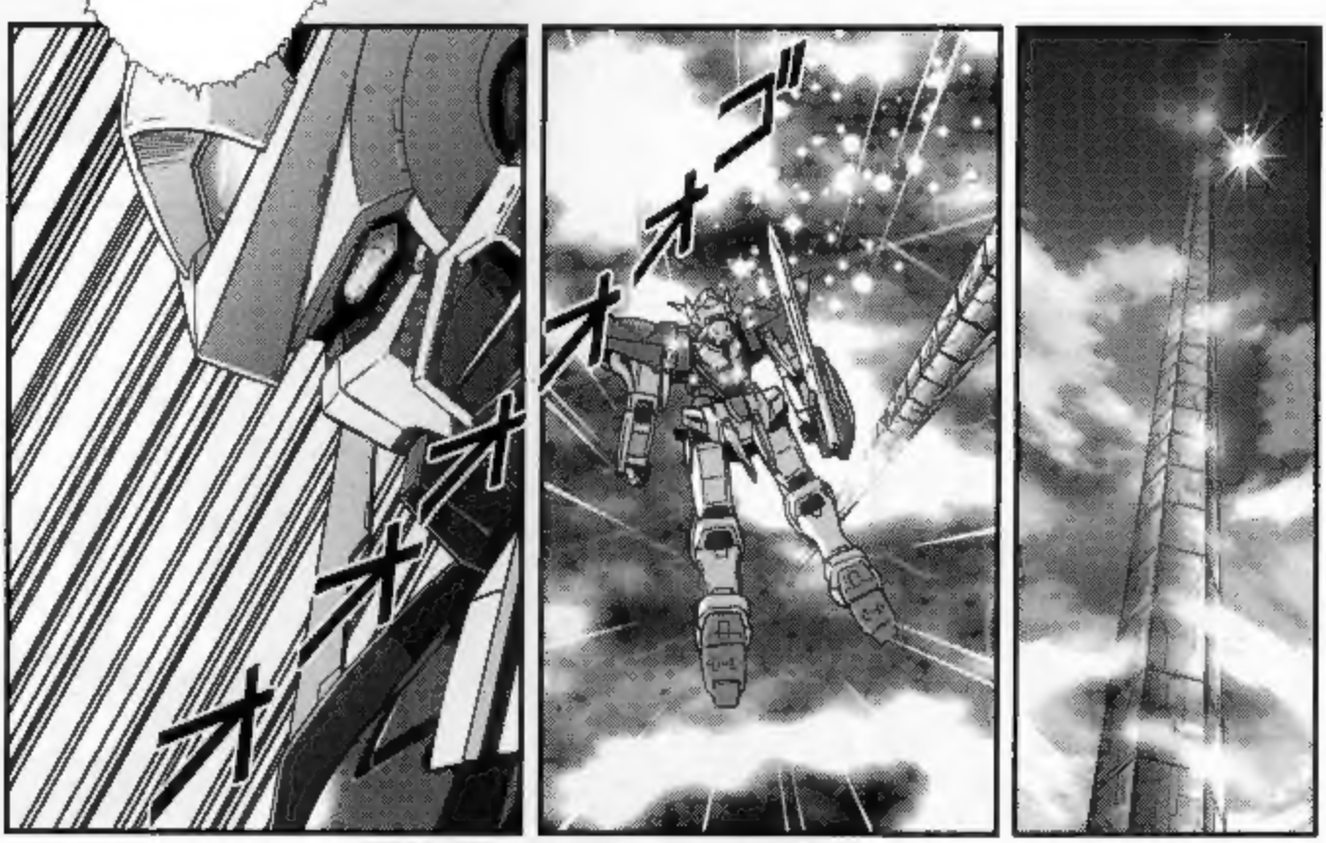
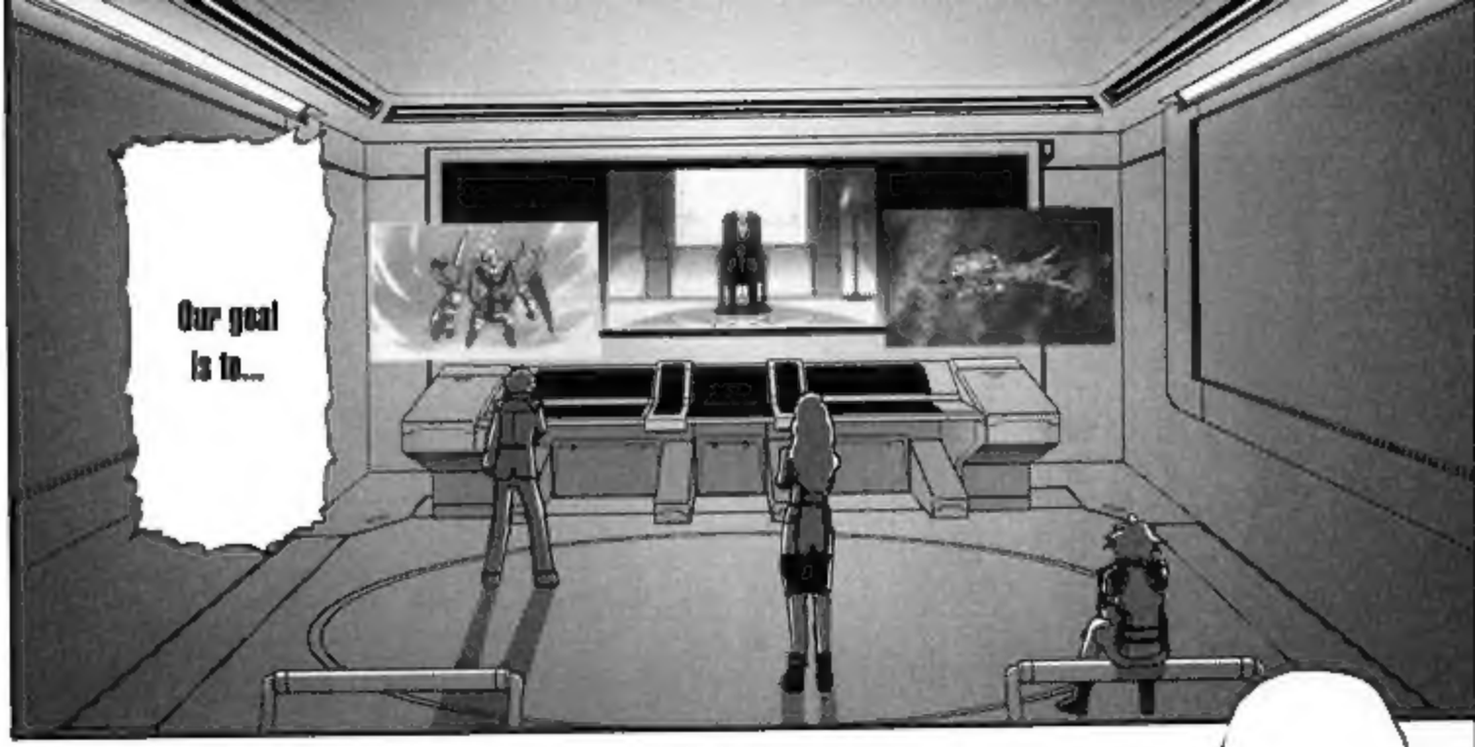
...who have been raised on Earth.
This is an announcement for all of mankind...

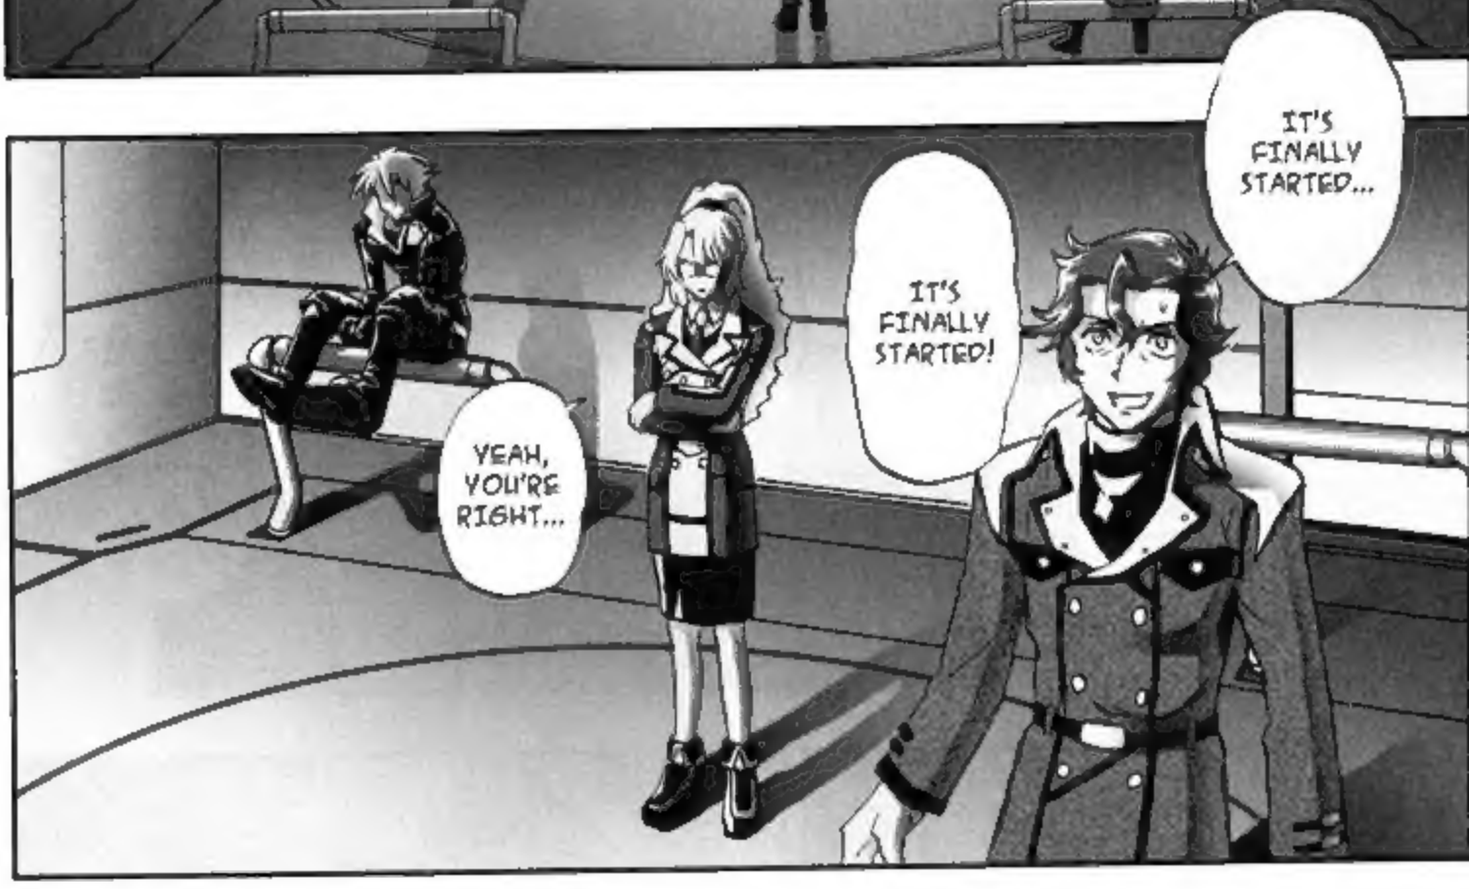
We are a private, armed organization that possesses the mobile weapon Gundam.
We are Celestial Being.



ゴオオオオオ
ゴオオオオ



Our goal is to...



IT'S FINALLY STARTED...
IT'S FINALLY STARTED!
YEAH, YOU'RE RIGHT...

.....
...eradicate war in this world.

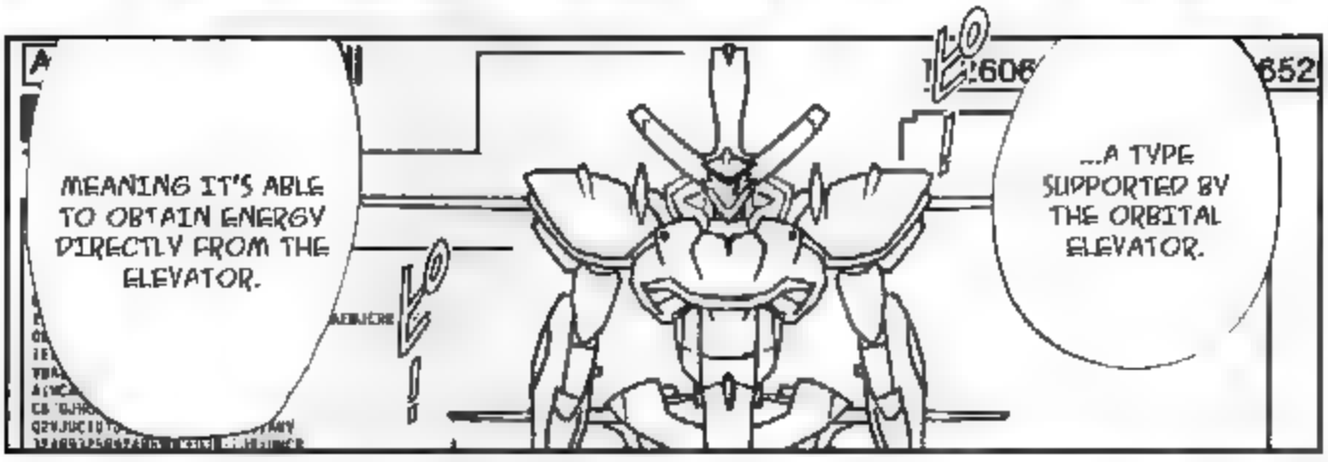
AH, A GUNDAM!
BUT IF ONLY I WERE IN THAT UNIT...
WATCH CLOSELY, ECHO CALORE. IT WILL DEEPEN YOUR UNDER-STANDING.
NOW, CELESTIAL BEING HAS MADE ITS MOVE.

THE FATES OF US, THE FERESHTE...
...ARE TIED TO THEIRS.

HMPH.
W-WHAT IS IT, ASSHOLE? WHAT'S WITH THAT ATTITUDE?
HM!
Y-YEAH, FOR THIS HONORABLE MISSION, I HAVE TO--
WHAT THE HELL ARE YOU TALKING ABOUT?
IT'S TO UNDERSTAND CELESTIAL BEING'S PRINCIPLES AND IDEALS, OF COURSE!
Right now, all of mankind...
EVEN IF YOU WATCH THIS VIDEO, WHAT COULD YOU POSSIBLY GET FROM IT?
TO UNDERSTAND BETTER?
YOU ARE FUCKING STUPID!!
NO, I TAKE THAT BACK.
OLD MAN, ARE YOU STUPID?

W-WHAT?
.....
YOU SHOULD UNDERSTAND...
MERE IDEALS CANNOT CHANGE THINGS.
FON SPARK!!

TARGETING THE AEU'S ENACT WAS THE FIRST MISSION.
THE ENEMY WAS THE LATEST MODEL.
HMPH.



MEANING IT'S ABLE TO OBTAIN ENERGY DIRECTLY FROM THE ELEVATOR.
...A TYPE SUPPORTED BY THE ORBITAL ELEVATOR.

A MISSION TO DESTROY IT DURING ITS DEBUT...
IS INDEED THE BEST WAY TO LEAVE AN IMPRESSION OF THE GUNDAM.
GRRR...
ALTHOUGH THE BASIC DESIGN USES THE UNION'S FLAG AS A BASE...
EACH PART WAS GIVEN AN OVERHAUL.

USING THIS INCIDENT, CELESTIAL BEING SHOWED THAT THEY NOT ONLY INTERVENE IN DISPUTES
...BUT ALSO INTERVENE IN PLAIN IMMORAL
NOT TO MENTION, FOR [redacted] MISSION...
THEY PREVENTED THE TERRORISTS FROM ATTACKING THE HRL'S ORBITAL ELEVATOR. WHAT A CONVENIENT COINCIDENCE.
THAT, OF COURSE, WAS EXPECTED
[redacted] AT THE ORBITAL ELEVATOR OF [redacted]
[redacted] LIMITS. THAT WAS ALSO REVEALED TO THE WORLD
THE HIGHER-UP BASTARDS MUST BE IMPATIENT ABOUT THIS...
WHICH IS [redacted] DISPLAYED THEIR MILITARY [redacted]
SO WAS THE FACT THAT THE AEU'S ORBITAL ELEVATOR IS STILL UNDER [redacted]
WHICH MEANS THEY ARE BEHIND SCHEDULE COMPARED TO THE HRL AND THE [redacted]
BUT THEN...
BECAUSE THOSE HALF-ASSED TERRORISTS SPENT HALF THEIR WEALTH ON MOBILE SUITS, THEY CAN NOW PURCHASE ONLY HALF THE NORMAL AMOUNT OF THE MISSILES.
EVEN THE HRL COULD HAVE EASILY TAKEN [redacted]

IT WAS AN EXCELLENT INTRODUCTION OF THE GUNDAMS TO THE WORLD
PERHAPS
EVERYONE CAN SEE THE STRENGTH OF THE GUNDAMS.
EVEN IF THAT'S TRUE...

CONSIDERING THAT, WHY ARE YOU SO MALEVOLENT TOWARD CELESTIAL BEING?
YOU AND ECHO ARE PERSCHE'S GUNDAM MEISTERS.

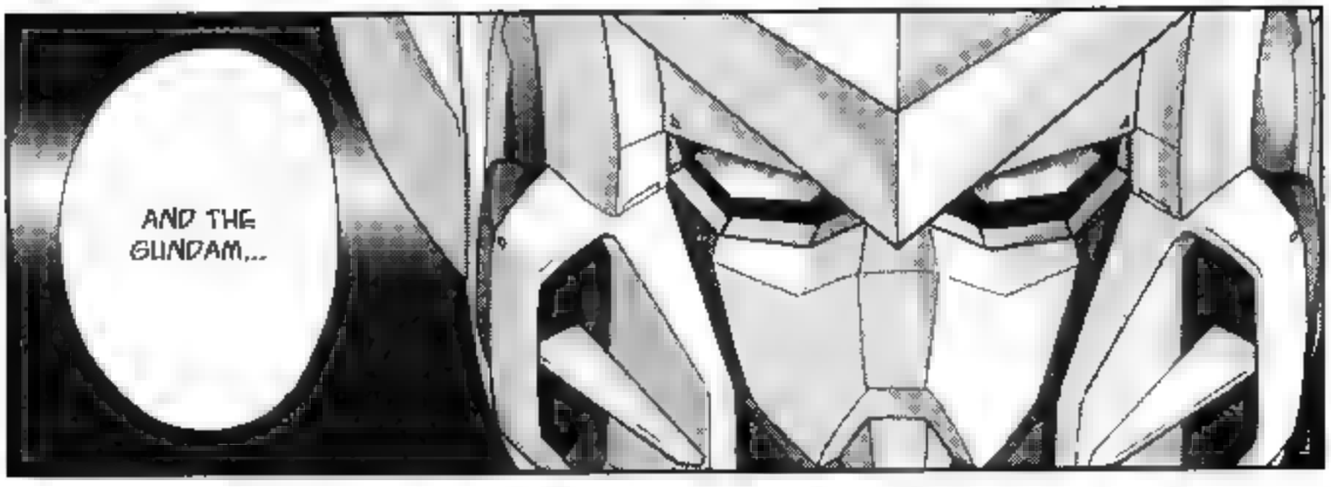
...is to eradicate war in this world.
DON'T SYMPATHIZE WITH THE OLD MAN'S IDEALS.
YOU CAN SAY THAT I...

YOU'RE HANDCUFFED FOR LIFE. THERE'S NOTHING YOU CAN START!
An armed intervention will begin on all acts of war.
DO YOU ONLY KNOW HOW TO ACT FOLLOWING YOUR OWN AMBITIONS?
We do not act to make profit.
AS EXPECTED FROM THE CONTENTIOUS FELON.
OF CHANGING THE WORLD WITH GUNDAMS.
HIS THOUGHTS, HOWEVER...
WHILE I DON'T AGREE WITH THE OLD MAN'S IDEALS...
PER SE.

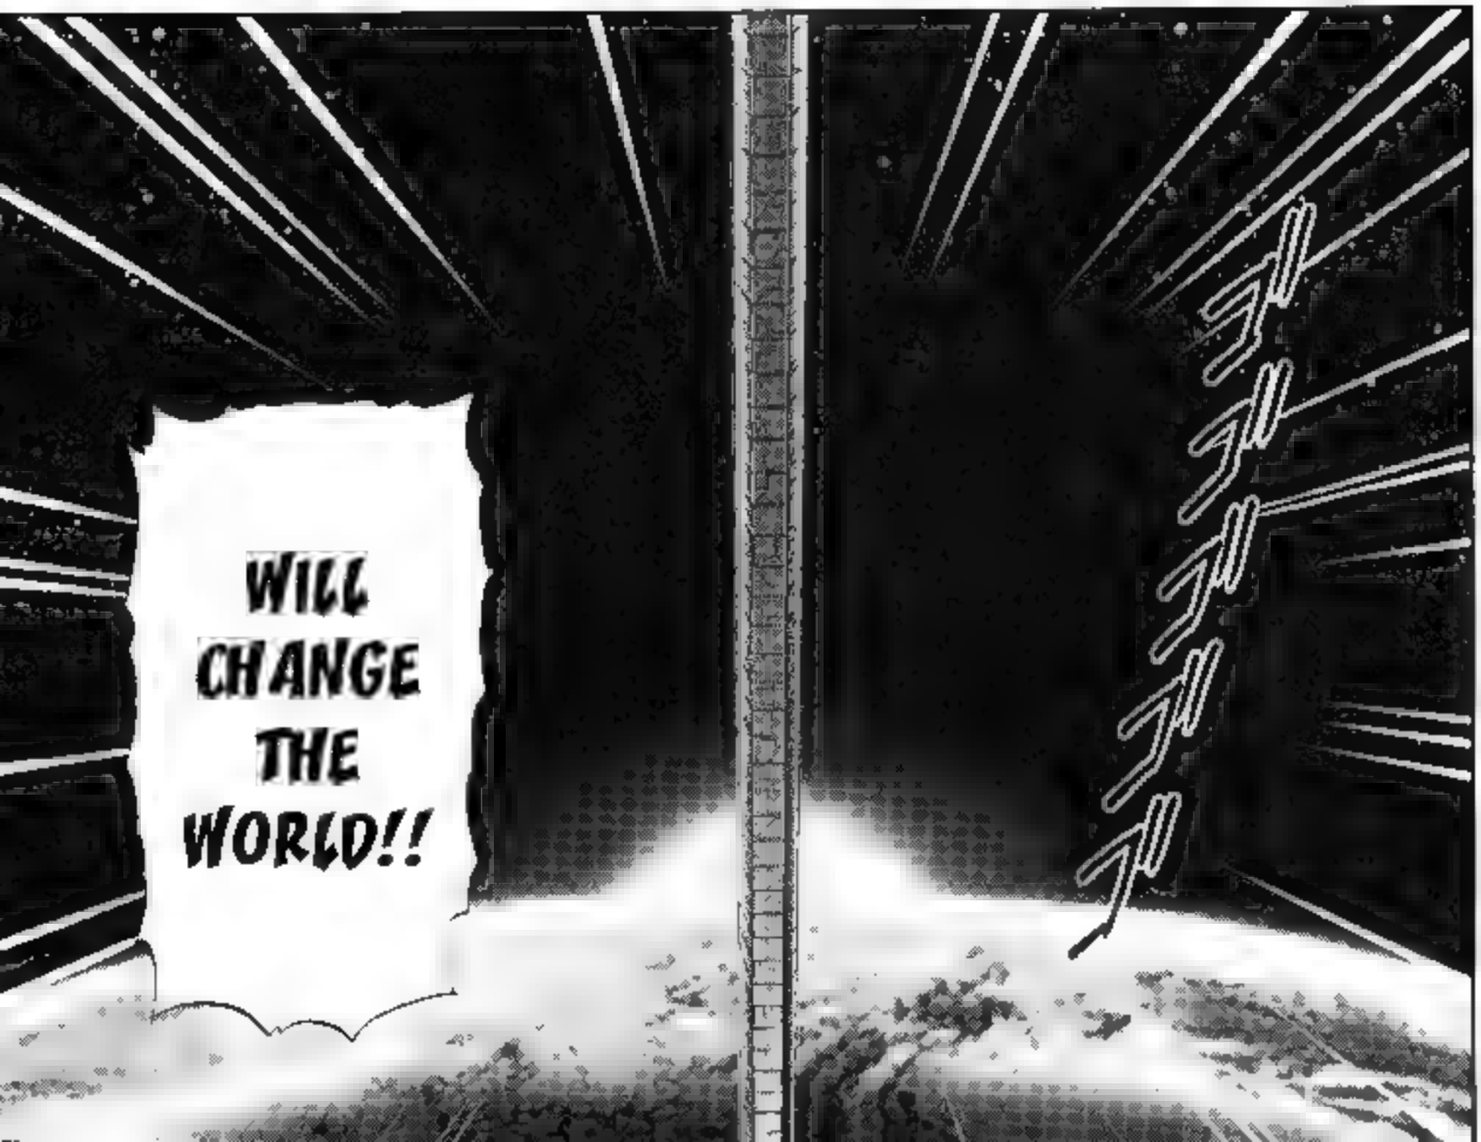
ARE QUITE INTERESTING!!

EVERYONE MUST HAVE WONDERED IF THE WORLD COULD BE CHANGED BY THEIR OWN POWER AT ONE POINT OR ANOTHER.
IT DOESN'T MATTER HOW THEY CHANGE IT...
WHAT MATTERS IS THE RESULT... WHAT KIND OF WORLD SHOULD I TURN IT INTO?

WHAT I CARE ABOUT IS...
HOW MY POWERS...



AND THE GUNDAM...



WILL CHANGE THE WORLD!!

OH I KNOW
DON'T YOU KNOW HOW DIFFICULT SOMETHING LIKE THAT IS?
CHANGE THE WORLD?
Y-YOU ARE THE FOOL HERE!
DIFFICULT.
WHAT A SWEET SOUND...
HUH?

I AM INVOLVED. I DON'T HAVE ANY INTEREST IN PULLING SIMPLE TRICKS ON YOU PEOPLE.
HA HA HA!!
NOT A PROBLEM.
EVEN IF YOU DON'T HAVE THE IDEAL..
AS LONG AS YOU CAN BECOME A SOURCE OF CELESTIAL BEING'S POWER--

I WOULD LIKE TO UTILIZE YOUR POWER

AEOLIA HAD SPENT HUNDREDS OF YEARS PREPARING CELESTIAL BEING.
AND THE MOBILE WEAPON GUNDAM, TOO ..

WHEN I WAS YOUNG, I WAS SCOUTED BY THE ORGANIZATION AND ENGAGED IN THE GUNDAM'S DEVELOPMENT.
AFTER THE END OF THE GUNDAM'S DEVELOPMENT, I CREATED THE ORGANIZATION FERESHTE TO SUPPORT CELESTIAL BEING.
WITH PERMISSION FROM THE COMPUTER VEDA, THE CORE OF THE ORGANIZATION.

FERESHTE HAS ONLY ONE PURPOSE...
AND THAT IS SUPPORTING THE ACTIONS OF CELESTIAL BEING.
FOR THAT PURPOSE, WE POSSESS FOUR GUNDAM UNITS.
AND THE LEADER OF FERESHTE, CHALL ACOUSTICA...
IS MY CURRENT SELF.

ATTACK THE HRL TROOPS DEPLOYED IN THE CS3Y AREA!
THE MISSION PLAN HAS BEEN RECEIVED FROM YEDA.
THE ASTRAEA'S PREPARATIONS HAVE BEEN COMPLETED
CHALL CHALL

DID THE HRL DETECT CELESTIAL BEING'S BASE?
DUMBASS! IT'S THE EXACT OPPOSITE!
IT'S ABOUT RAISING A RUCKUS IN PLACES THAT HAVE NOTHING TO DO WITH THE ORGANIZATION'S FACILITIES.
AS A DISTRACTION?
FON SPARK!
YOU'RE ORDERED TO SORTIE IN THE GNY-001 ASTRAEA.
WHAT? WASN'T I SUPPOSED TO BE THE GUNDAM MEISTER?!
WAH!

ARE YOU SURE ABOUT THAT?
BUT I CAN'T POSSIBLY GO IN THE ASTRAEA.
I'LL SORTIE IN THE PLUTONE.
!!
THE PLUTONE..

CHALL ACOUSTICA
THE PLUTONE.
SEEMS TO BE A GUNDAM THAT HAS A STRONG CONNECTION WITH YOU.
THAT UNIT IS ON RESTRICTED USE. YOU CAN'T PILOT IT!
THAT UNIT--

THAT GUNDAM...
ARE YOU FRIGHTENED? ARE YOU FILLED WITH HATE?
NO, THAT MACHINE..
NO, I'M.
NO, THAT MACHINE..
LEAVE IT TO ME
I KNOW. EVERYTHING WILL BE FINE.
IF THE EXISTENCE OF THE OTHER GUNDAMS...
BESIDES THOSE OF CELESTIAL BEING, WERE REVEALED...

NO PROBLEM!
NO PROBLEM
I'M SORTIEING IN THE PLUTONE! THERE WON'T BE A PROBLEM IF WE KILL EVERYONE WHO SEES US, RIGHT?
GO CONFIRM IT WITH VEDA!
HANAYO!
I'LL CHANGE YOUR PAST SELF WITH YOUR PLUTONE!!
IT'S THE FIRST MISSION FOR FERESHTE, THE GROUP YOU CREATED!
FON SPARK..

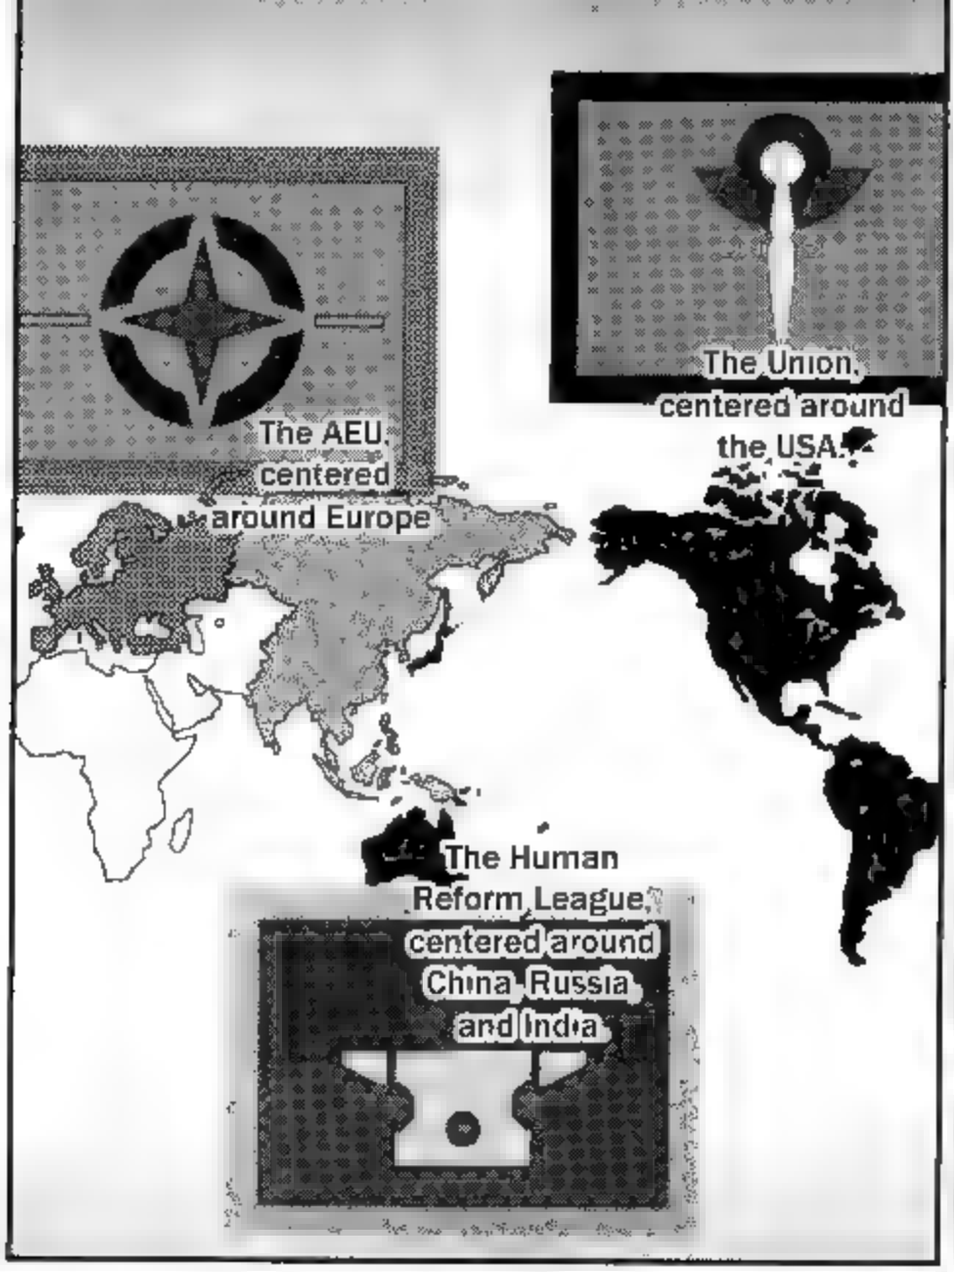
#F02『GN-002(デュナメス) vs GNY-002F(サダルスードF)』



The AEU, centered around Europe
The Union, centered around the USA.
The Human Reform League, centered around China, Russia and India

2307 AD.
The satellite solar generator system and the three orbital elevators...

Most of the world's nations have united into three superpowers, who each now control these systems.

Fighting for wealth and glory, the three superpowers continue to play a zero-sum game.

And now, those who would drive a blade into this world have appeared.

Celestial Being.
A private armed organization possessing the mobile suits called "Gundam".

Soon, instead of fighting separately...
...the whole world stood up against Celestial Being.
Some feared them and laid down their weapons. Some tried using them and have vanished.
Intervening in all conflicts, regardless of race, nation or religion.

The AEU moved to strengthen its partnership with the Private Military Companies (PMC).

The three superpowers each moved to oppose the Gundams.

The HRL introduced super-soldiers into its ranks.

And the Union formed a specialized Anti-Gundam Investigation Squad, headed by ace pilot Graham Aker.

They set out to capture the Gundams...

IT'S CURRENTLY PURSUING EXIA AT TWICE THE NORMAL SPEED!

IT'S AN AMERICAN FLAG UNIT!

AN ENEMY'S BEEN SIGHTED APPROACHING THE EXIA!

NOW I CAN FIGHT YOU, GUNDAM!

TSK!

THIS IS THE DATA FROM THE PREVIOUS BATTLE?

A CUSTOM FLAG... WHAT INSANE SPECS...

ALL RIGHT... THEN TAKE THESE THINGS OFF.

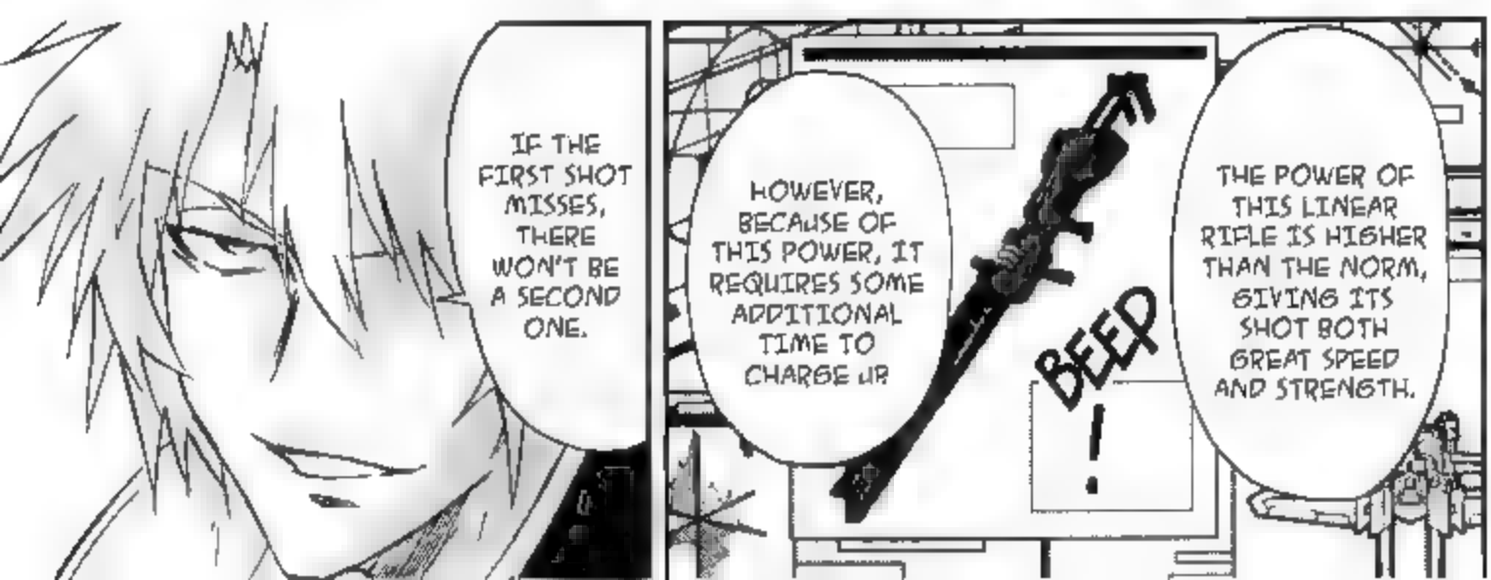
IF YOU'RE NOT WILLING TO DO IT, THEN GET THE HELL OUT!

ANALYZING CELESTIAL BEING'S MISSION DATA IS OUR JOB!

WHAT IS IT, ASSHOLE?!

BEEP!
UH-HUH
RESEARCH IT THOROUGHLY.
IT MAY BECOME A FORMIDABLE ENEMY FOR FERESHTE AS WELL.
THAT SPEED, THAT POWER... LOOK AT HOW IT JUST BLEW PAST EXIA.
THAT'S OUT OF THE QUESTION!
BAH!

THEIR GOAL IS TO THROW THE EXIA OFF-BALANCE...
...AND THEN LAND THE FINISHING BLOW.
BEEP!
BEEP!
THOSE FIRST SHOTS WERE RAPID-FIRE SHELLS.
THEY'RE SACRIFICING FIREPOWER IN ORDER TO GAIN THE ABILITY TO ATTACK QUICKLY.



IF THE FIRST SHOT MISSES, THERE WON'T BE A SECOND ONE.
HOWEVER, BECAUSE OF THIS POWER, IT REQUIRES SOME ADDITIONAL TIME TO CHARGE UP.
BEEP!
THE POWER OF THIS LINEAR RIFLE IS HIGHER THAN THE NORM, GIVING ITS SHOT BOTH GREAT SPEED AND STRENGTH.

BEEP

YEAH, IT'S PROBABLY IMPOSSIBLE FOR ANY OLD ORDINARY GUY...

BECAUSE YOU WON'T EVER BOTHER TO LOOK AT WHAT'S RIGHT IN FRONT OF YOU.

NONSENSE! THERE'S NO WAY ANYBODY COULD DETERMINE A LINEAR GUN SHELL'S VELOCITY WITH THE NAKED EYE ALONE!

HOW THE HELL DID YOU....

IT'S OBVIOUS IF YOU JUST LOOK AT IT.

...CAN SEE IT!

BUT I...

THAT'S RIGHT... I CAN SEE ANYTHING.

ANYTHING IN THE WORLD

HOWEVER BAD THE VIEW, I NEVER AVERT MY EYES.

HAAA...

BEEP

IT'S TWICE THE SPEED OF A NORMAL FLAG!

I WON'T LET YOU JUST DISMISS THIS THING AS HARMLESS...

.....

EVEN IF YOU ARE RIGHT ABOUT THAT WEAPON...

ITS ARMOR MUST BE THIN AS PAPER.

THE FUSELAGE SEEMS TO BE UNMODIFIED BUT YOU DON'T GET DOUBLE SPEED BY JUST INCREASING OUTPUT.

THIS GUY USES AN ENLARGED FLIGHT UNIT, BUT THAT'S NOT ALL.

.....?

IT'S AN EXTREME LIGHT-WEIGHT.

BEEP

THEN...

TO DECREASE THE WEIGHT, THEY TOOK OFF ITS ARMOR.

AND IT PROBABLY CARRIES ONLY A TINY BIT OF FUEL.

THE EXIA KID MADE THE RIGHT CHOICE WHEN HE WENT UNDER-WATER — THE ENEMY CAN'T ENTER THERE AND HE DOESN'T HAVE THE FUEL TO KEEP CHASING EXIA THROUGH THE AIR

HEY, OLD MAN.
YOU WERE CELESTIAL BEING'S BAD STUDENT, RIGHT?
I CAN SEE HOW THE REGULAR MEMBERS WERE DOING BETTER THAN YOU
GUH...
HOWEVER... YOU CAN'T CLAIM THAT A GUNDAM CAN OPERATE WELL UNDERWATER!
IF I WERE PILOTING A GUNDAM, I'D NEVER DARE APPROACH THE WATER.
THERE MIGHT HAVE BEEN ENEMIES UNDERWATER, SO YOU CAN'T SAY THAT THIS COURSE OF ACTION WAS FLAWLESS.
HUH?
THAT'S WHAT WE'RE GOING TO FIND OUT.

NICE...

THERE'S A NEW MISSION.

NO ONE SAID YOU'RE GOING TO SORTIE!

I CAN FINALLY GET SOME TIME AWAY FROM THOSE STUPID STUDY SESSIONS.

Hansayo Haro!

Mission!

Mission!

CHALL, YOU HEARD RIGHT?

THIS GUY SAID HE'D NEVER TOUCH WATER IN A GUNDAM.

HUH?!

.....
NO, I MEANT IN THE CONTEXT OF THE PREVIOUS BATTLE'S ANALYSIS!!

OF COURSE, IT HAS BEEN TARGETED BY TERRORISTS NUMEROUS TIMES.
THERE'S A CONSIDERABLE AMOUNT OF MILITARY EQUIPMENT STORED THERE.

FIGHTING AGAINST BOTH THE HRL AND THE TERRORISTS

FOR THE LAST SEVERAL WEEKS, DVNAMES HAS BEEN CONDUCTING OCCASIONAL ARMED INTERVENTIONS

THIS IS ALSO A TEST OF CELESTIAL OPERATIONS.

THE GOAL IS TO FORCE BOTH PARTIES TO LAV DOWN THEIR WEAPONS.

THIS IS NO LONGER A JOB FOR DYNAMES...

NO REASON TO OVER-STAY MY VISIT.

SO THE "SNIPING UNDERWATER TARGETS FROM THE SURFACE" THING IS NOT WORKING, YOU SAY?

I'M GONNA CHANGE THE WORLD MYSELF!

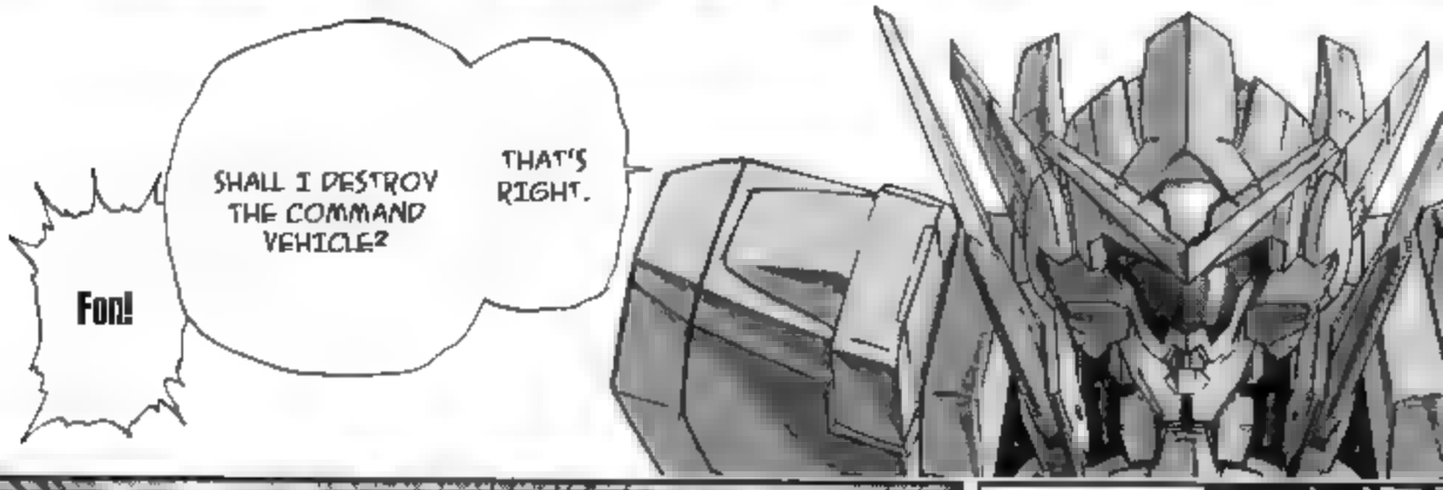
WHAT'S THE MATTER?

#F03 「AZADISTAN」
I JUST GRACEFULLY FINISHED UP HERE!!
YEAH, GREAT!
Fon Spark
We just received a new mission plan from Veda.

FERESHTE. SECRET GUNDAM. SECRET GUNDAM.
WITH THE MASK AND ALL.
NOBODY SAW THE GUNDAM.

What's the situation?
I'VE QUIETLY FINISHED MY WORK HERE.

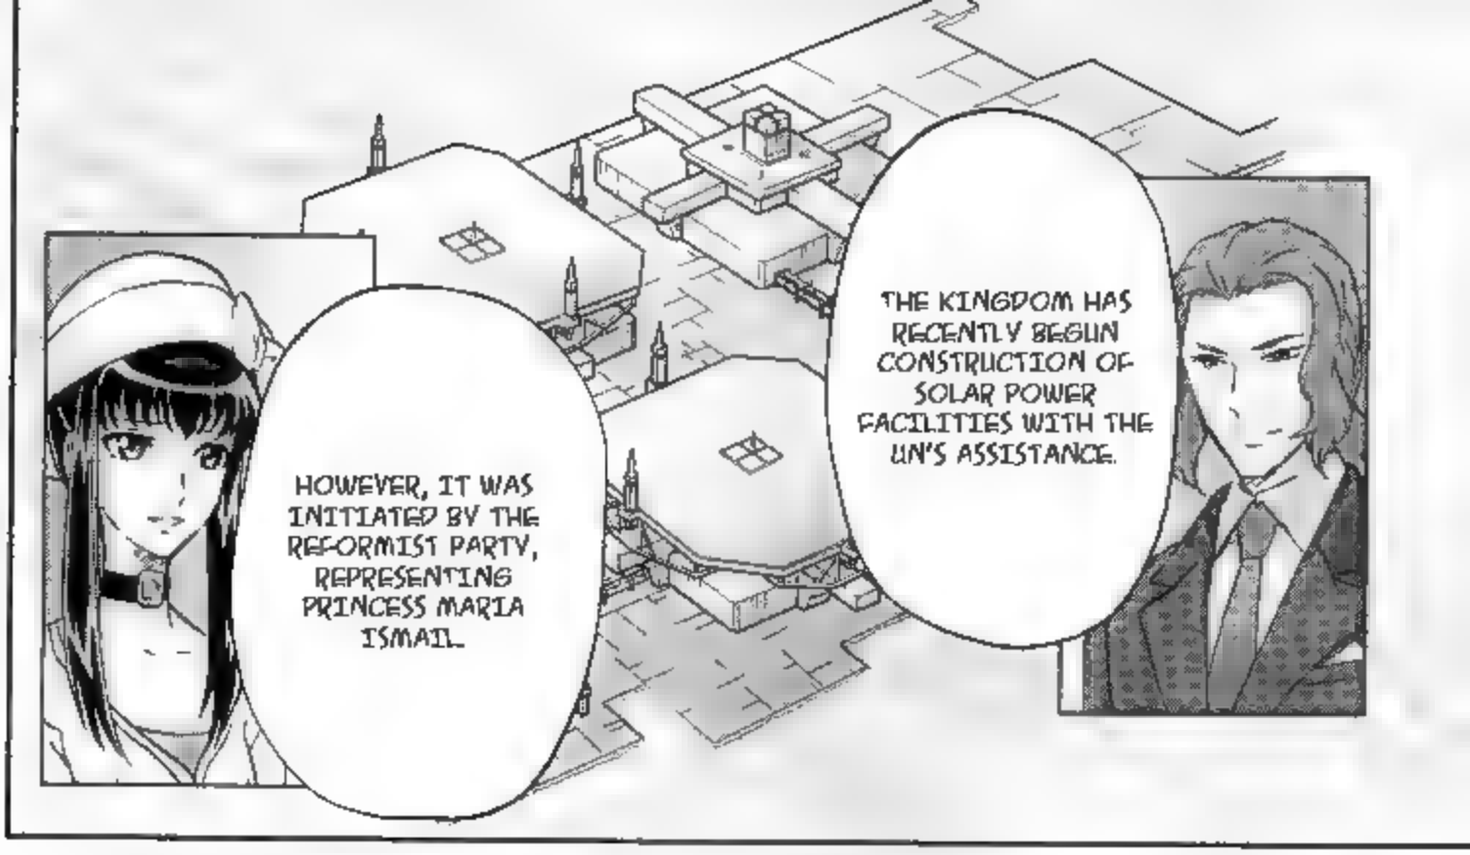


Fon!
SHALL I DESTROY THE COMMAND VEHICLE?
THAT'S RIGHT.

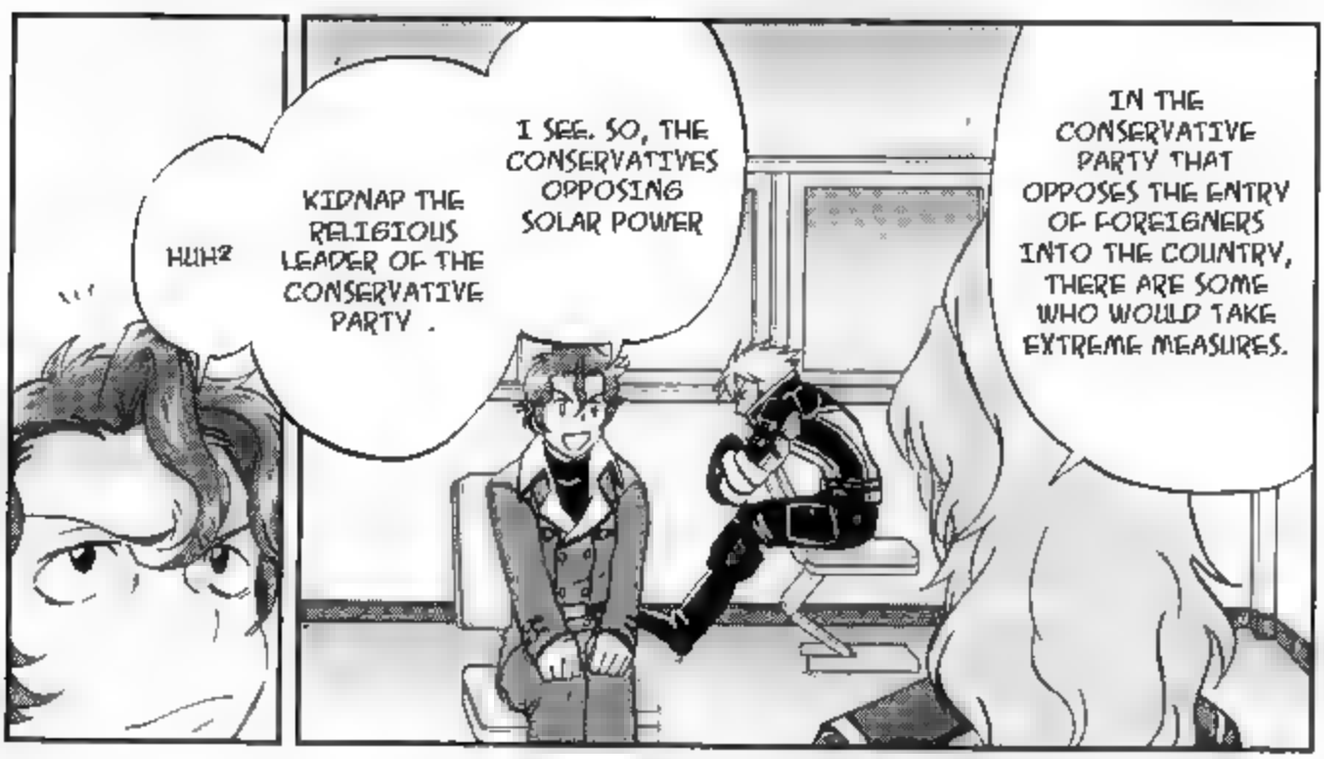
HAHA HAHA HAHA!!

I'LL CONTACT YOU IN TEN MINUTES!

THE MIDDLE EASTERN KINGDOM OF AZADISTAN...
HAD ITS RELIGIOUS LEADER MASSOUD RACHMADI KIDNAPPED.

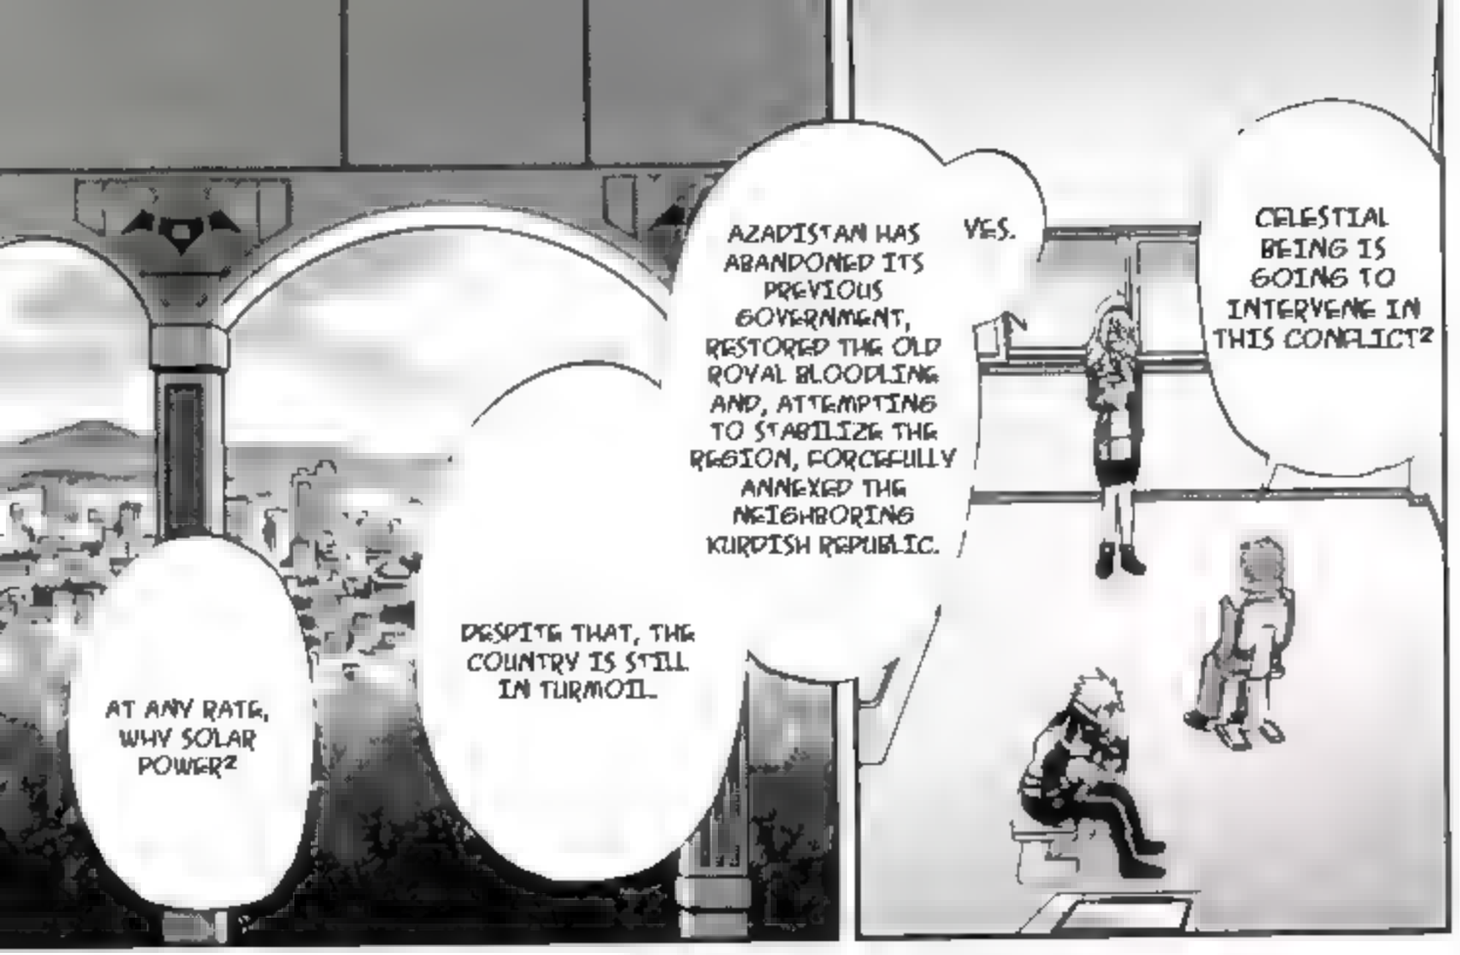


THE KINGDOM HAS RECENTLY BEGUN CONSTRUCTION OF SOLAR POWER FACILITIES WITH THE UN'S ASSISTANCE.
HOWEVER, IT WAS INITIATED BY THE REFORMIST PARTY, REPRESENTING PRINCESS MARIA ISMAIL.

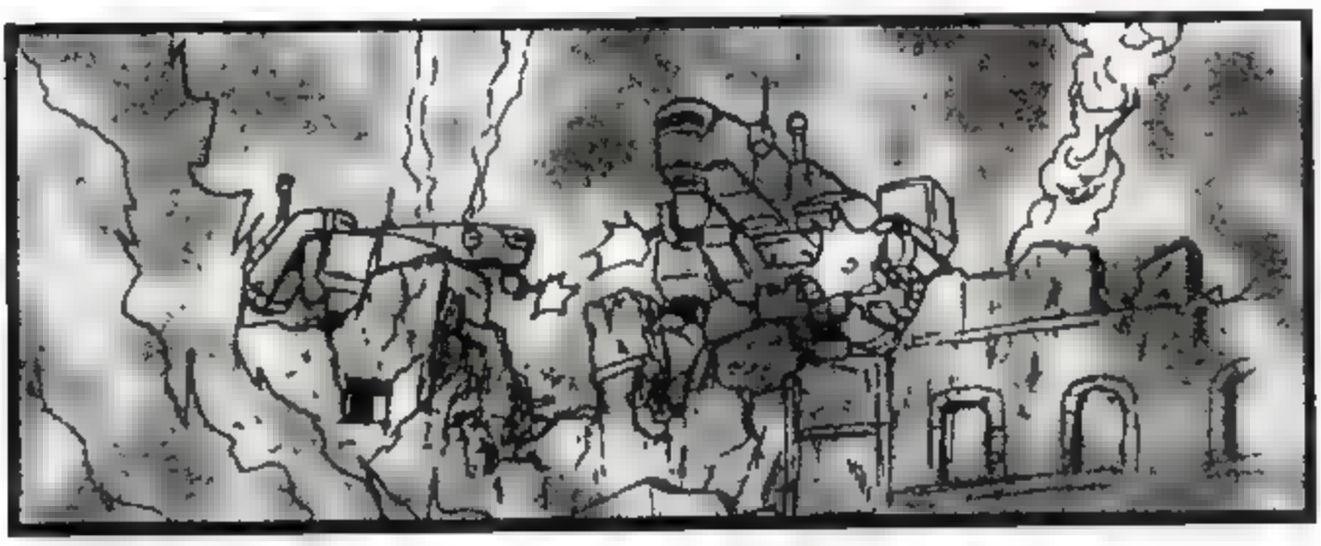


IN THE CONSERVATIVE PARTY THAT OPPOSES THE ENTRY OF FOREIGNERS INTO THE COUNTRY, THERE ARE SOME WHO WOULD TAKE EXTREME MEASURES.
I SEE. SO, THE CONSERVATIVES OPPOSING SOLAR POWER
KIDNAP THE RELIGIOUS LEADER OF THE CONSERVATIVE PARTY .
HUH?

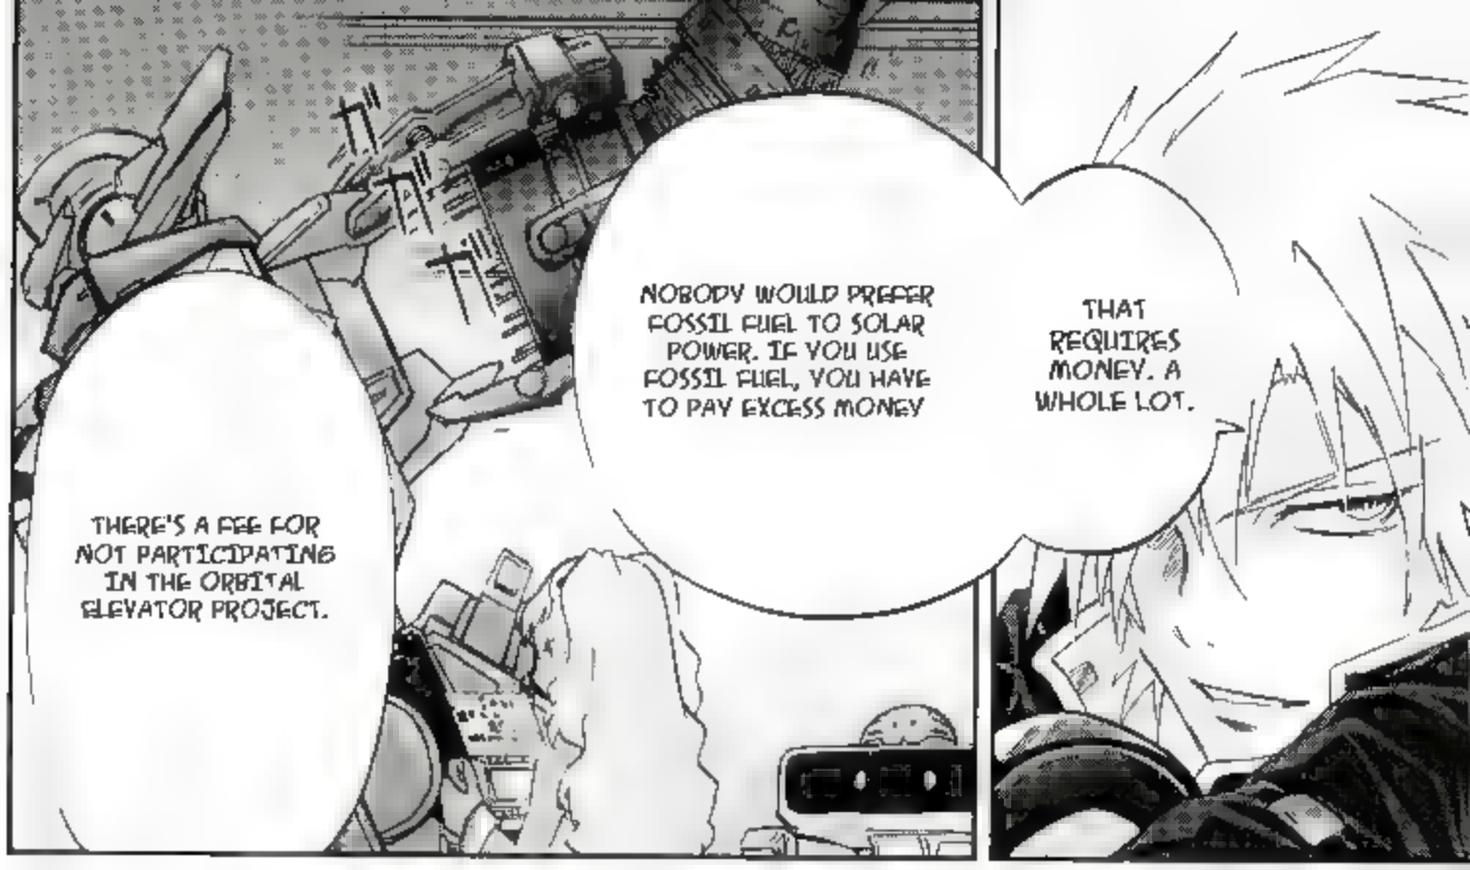
ARE YOU RETARDED? SOMEBODY WANTS TO START A CIVIL WAR, SO HE'S PITTING THE TWO FACTIONS AGAINST EACH OTHER.
INDEED.
VEDA PREDICTS AN INTERVENTION FROM A THIRD PARTY.



AT ANY RATE, WHY SOLAR POWER?
DESPITE THAT, THE COUNTRY IS STILL IN TURMOIL.
AZADISTAN HAS ABANDONED ITS PREVIOUS GOVERNMENT, RESTORED THE OLD ROYAL BLOODLINE AND, ATTEMPTING TO STABILIZE THE REGION, FORCEFULLY ANNEXED THE NEIGHBORING KURDISH REPUBLIC.
YES.
CELESTIAL BEING IS GOING TO INTERVENE IN THIS CONFLICT?



THAT WAY THEY'LL BE KILLING TWO BIRDS WITH ONE STONE.
AND THE PRODUCED CARBON DIOXIDE CAN BE COLLECTED UNDERGROUND...
THEIR OIL RESERVES SHOULD BE ENOUGH TO PROVIDE ENERGY FOR THEIR COUNTRY



THERE'S A FEE FOR NOT PARTICIPATING IN THE ORBITAL ELEVATOR PROJECT.
NOBODY WOULD PREFER FOSSIL FUEL TO SOLAR POWER. IF YOU USE FOSSIL FUEL, YOU HAVE TO PAY EXCESS MONEY
THAT REQUIRES MONEY. A WHOLE LOT.

IT IS CAUSING STRIFE DISGUISING IT AS A CIVIL WAR!

GLOBAL STABILITY WITHOUT WAR IS CELESTIAL BEING'S IDEAL!
WE HAVE TO STOP THE FIGHTING IN AZADISTAN!

WHEN AZADISTAN GAINS THE STATUS OF THE FIRST COUNTRY TO POSSESS SOLAR POWER IN THE MIDDLE EAST
THERE'S A GOOD CHANCE THAT THE WHOLE MIDDLE EAST WILL CONVERT TO THAT SYSTEM.
THE THIRD PARTY WON'T ALLOW THAT.

MANY CAN SEE US.
TO AVOID REVEALING OUR ORGANIZATION'S POSSESSION OF
THE ABULHOOL.

Great work!
I HAVE FINISHED INSTALLING THE SOLAR FURNACE ON THE ABLEHOOL.
AGENTS ARRIVED! ARRIVED!
HEY! NOBODY SAID YOU WERE GOING TO GO OUT ON THIS MISSION!
IF WE CAN ONLY OPERATE ONE GUNDAM, YOU WON'T GET TO SORTIE.
THAT'S NOT ENTIRELY BAD THOUGH.
MAN, WE'VE GOT FOUR GUNDAMS
BUT ONLY ONE SOLAR FURNACE.

I ORDER YOU TO SORTIE. THIS IS VEDA'S DECISION...

WELL, THEIR TRUE TARGETS ARE THE GUNDAMS.
THEY PLAN ON USING THIS CRAFT IN ORDER TO CAPTURE A GUNDAM

CELESTIAL BEING WILL BE DISPATCHING THE EXIA AND DYNAMES.
UNFORTUNATELY, VIRTUE AND KYRIOS CANNOT PARTICIPATE AS THEY HAVE A MISSION AT LAGRANGE 4.
AS SUCH, WE WILL HAVE PEREGRINE FILL IN FOR THEM.

HE'S A MERCENARY
LEAVING HIM ALIVE IS MORE INTERESTING...
WHY? WHY?
THIS MISSION'S GOAL WAS TO IDENTIFY THE THIRD PARTY.

I received a report from Lockon earlier, stating that he has some connection with an organization that possesses mobile suits.
A mercenary? I thought so...

?
THE EXIA PILOT GUY, HE'S FROM THE REPUBLIC OF KRUGIS, RIGHT?

DURING THE EARLIER CONFLICT
HE'S FOUGHT IN AZADISTAN IN THE PAST

THEY MUST BE ACQUAINTANCES. I'LL LEAVE THIS GUY TO HIM, THEN.

I'M READY TO SORTIE AT ANY TIME.
YES, WE NEED SOMEBODY TO STOP HIM IF THINGS GO BAD...
SETSUNA REALLY BELIEVES IN HIS POWER.
HE'S TRYING TO CHANGE THE WORLD. DON'T TRY AND STOP HIM.
WHY?
I FIND IT INTEREST-ING.

I LIKE PEOPLE WHO TRY TO CHANGE THE WORLD WITH THEIR OWN POWER.
WHY DO YOU ALWAYS HAVE TO STICK YOUR NOSE IN OTHER PEOPLE'S AFFAIRS?
THIS HAS NOTHING TO DO WITH CELESTIAL BEING OR THE WORLD. I SIMPLY WON'T LET YOU STOP HIM.

EVEN IF THE WORLD HE DESIRES IS DIFFERENT FROM MINE.
EVEN IF HIS WAY OF DOING IT IS DIFFERENT FROM MINE.

THIS IS THE FIRST TIME IN HISTORY SOMETHING ON THAT SCALE IS CONDUCTED TOGETHER BY THE THREE SUPERPOWERS.

THE GUNDAMS.

AND..

THE REAL GOAL IS TO LURE IN CELESTIAL BEING...

OF COURSE, THE EXER-CISE IS JUST A FACADE.

NO.

AGH!

FROM ANY HARM!

OUR JOB THIS TIME IS TO PROTECT THE GUNDAMS OF THE PTOLE-MAIOS CREW...

WHICH MEANS...

WHAT DO YOU MEAN?

FERESHTE WILL NOT BE TAKING PART IN THIS MISSION.

VEDA HAS INSTRUCTED US TO STANDBY.

PERHAPS THIS IS TO AVOID THE CAPTURE OF FERESHTE'S UNITS IF THINGS GO SOUR

YOU'RE AN IDIOT, OLD MAN.

AGH

WE WILL BE THE ONLY HOPE LEFT!

I GET IT! IF THE PTOLEMAIOS LOSES HER GUNDAMS,

IF THE ENEMY IS POWERFUL ENOUGH TO CAPTURE FOUR GUNDAM UNITS,

THERE'S NOT MUCH POINT IN CONTINUING THE FIGHT WITH OUR ONE MACHINE.

WHAT ADVANTAGE DO WE GET FROM HOLDING BACK?

HIM AGAIN...

HM?

IT'S YOUR FAULT, FON SPARK.

OH, I SEE HOW IT IS.

THEN, WHAT COULD BE THE REASON?

VEDA'S FINALLY DECIDED TO PUT A STOP TO YOUR MISCONDUCT!

ISN'T THAT RIGHT?!

IN ANY CASE, VEDA'S DECISION IS FINAL.

I WIN..?

VEDA IS A COMPUTER THAT FOLLOWS THE PLAN AEOLIA PUT DOWN HUNDREDS OF YEARS AGO.
ITS DECISIONS ABSOLUTELY HAVE TO BE FOLLOWED.

IT COULD HAVE BEEN HACKED.

EVEN VEDA ISN'T PERFECT.

THOSE NEW ONES WERE NOT AMONG THEM.
THE GUNDAM UNITS MY COMRADES AND I DEVELOPED AT KRUNG THEP

I WONDER WHAT'S GOING TO HAPPEN NOW...

WE ARE TO REMAIN ON STANDBY.

SO, WHAT DOES VEDA SAY WE ARE SUPPOSED TO DO?

FON... ABOUT THAT GUNDAM...

HM?

I SECRETLY CONTACTED MASTER IAN, WHO SERVES ON THE PTOLEMAIOS.

Secretly, secretly,

I WILL OBEY VEDA'S INSTRUCTIONS.
VEDA HAS APPROVED THE ACTIVATION OF THE NEW GUNDAMS.

IT CAN'T BE WRONG...
....CAN IT?
HANAYO HAS A DIRECT LINK WITH VEDA. IF SHE SAYS SO...

AREN'T YOU BEING FOOLED LIKE THE REST OF THEM, HANAYO?
HAH!
.....

IT IS PERFECT.
VEDA IS THE PRIMARY SOURCE THAT WORKS TOWARDS THE COMPLETION OF THE PLAN.

I AM ONLY A TERMINAL CONNECTING VEDA AND CELESTIAL BEING.
YOU'RE A BIG GIRL, STOP DEPENDING ON YOUR PARENTS! I KNOW YOU HAVE A SEPARATE WILL AND PERSONALITY FROM VEDA.

Please excuse the intrusion.

WHAT'S WRONG?!

I believe Veda's instructions have already arrived.

You are no longer in charge of the [redacted] and are to transfer it to us.

With the Solar Furnace onboard, of course.

Don't worry.

Fereshte will be disbanded.

HOW ARE WE SUPPOSED TO OPERATE OUR GUNDAMS?

BUT IF WE DON'T HAVE A SOLAR FURNACE...!

DISBANDED...

MY COMRADES' LEGACY, FERESHTE... IS GOING TO BE...

GUNDAM ASTRAEA TYPE F

ガンダムアストレア タイプF

Model number GNY-001. A prototype unit in the Exia series. Named after the godaess of justice, it was a created to serve as a test unit for various pieces of equipment and it inherited the same flexibility as the 0 Gundam. In order to disguise the fact that it is actualy a Gundam, it's been equipped with a sensor mask. Designed by Ebikawa Kanetake.

SHERILYN'S

Chapter.01

DELVING INTO THE SCIENCE

Fifteen years ago, the world was in the midst of the "Solar Dispute," a conflict dividing factions supporting construction of the orbital elevator and those opposing it. Celestial Being, meanwhile, quietly developed their second generation Gundams in preparation for their entry into the world. At this point, Chall was the last surviving Gundam Meister. Following the completion of the Exia and the third generation Gundams, improvements were made to the second generation, which had just completed their roles as testbeds. However, they were still ultimately maintained as Fereshte's Gundams.

GUNDAM SADALSUUD TYPE F

ガンダムサダルスード タイプF

Model number GNY-002F. A unit that possesses the image of a star, namely a goddess who draws water. A specialized Gundam equipped with an array of sensors all over its body. Design by Takayuki Yanase.

↑ The GN Revolver Bazooka has the ability to utilize several kinds of shells.

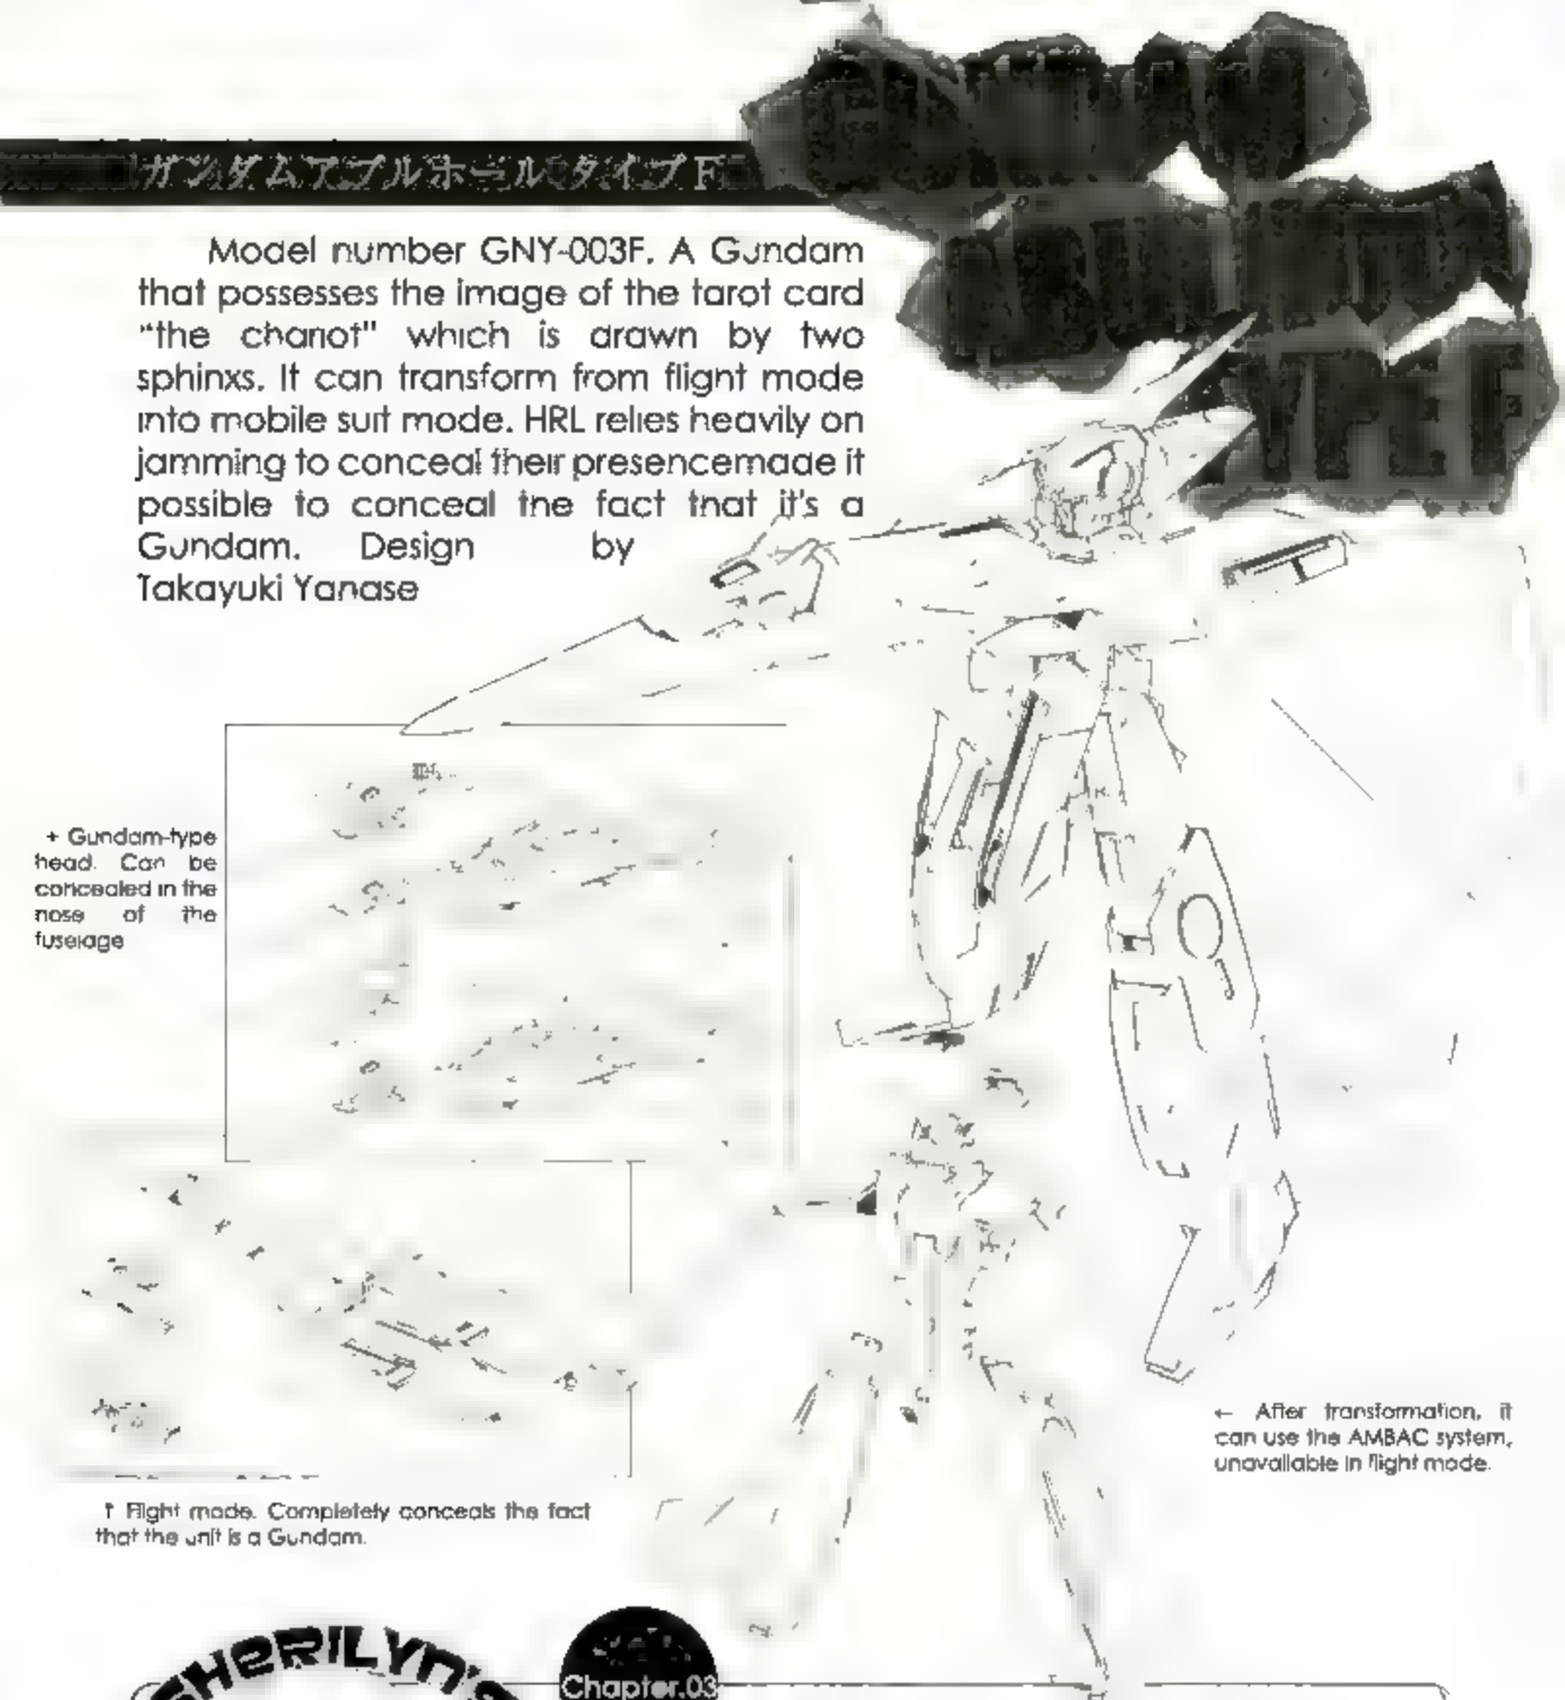
← Both shoulders have sensor shields attached to them. The other equipment shown are its thrusters.

SHERILYN'S Chapter.02

DELVING INTO THE SCIENCE

The GN-002/DG014 Gundam Dynames Torpedo specializes in underwater snip ing. As such, it carries many guns de pending on the situation. Although the HRL relies heavily on jamming to conceal their presence, the Dynames Torpedo reacts to photon scanning the same way many denser com pounds in sea water do. This can only be utilized underwater GN par ticles are difficult to manage.

Model number GNY-003F. A Gundam that possesses the image of the tarot card "the chariot" which is drawn by two sphinxs. It can transform from flight mode into mobile suit mode. HRL relies heavily on jamming to conceal their presencemade it possible to conceal the fact that it's a Gundam. Design by Takayuki Yanase



+ Gundam-type head. Can be concealed in the nose of the fuselage

← After transformation, it can use the AMBAC system, unavailable in flight mode.

† Flight mode. Completely conceals the fact that the unit is a Gundam.

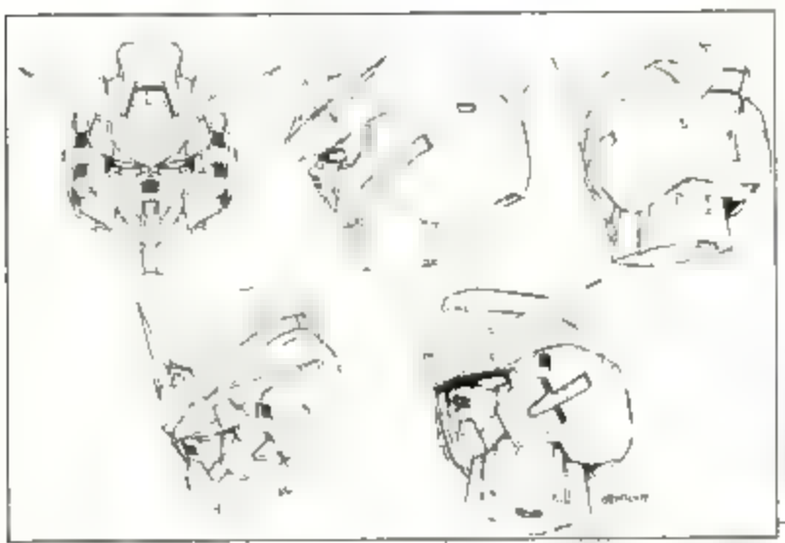
SHERILYN'S Chapter.03 DELVING INTO THE SCIENCE

In 2307 AD the global warming process has been stopped thanks to anti-GW engineering programs, although carbon dioxide emission is still a concern. Thus, it was decided that manufacturers of fossil fuels are to gather from the atmosphere the same amount of CO_2 that is produced by burning the fuel. Actually, a good way to deal with this is to store the CO_2 in the same tunnels where oil is produced, but that takes money. However you look at it, now that the solar power systems exist, nobody wants to buy oil.

GUNDAM PLUTONE

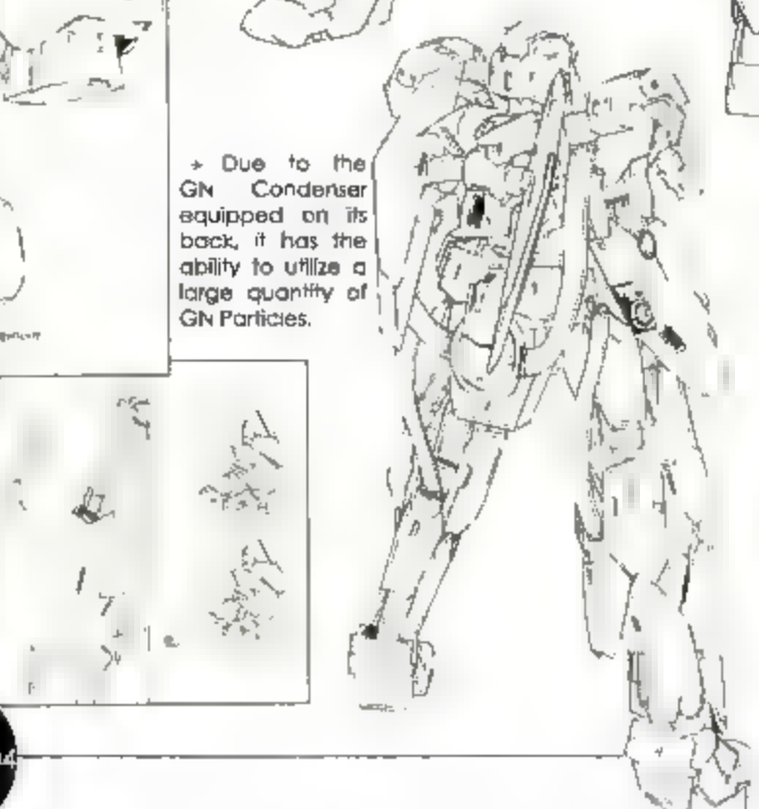
ガンダムプルトーネ

Model number GNY-004. A unit whose name is derrived from the god Pluto, and is associated with the tarot card for judgement. The card has been designated with the function of "resurrection and change." Since this unit is not assumed to be utilized by Feresnte, they are not in possession of a Type F version. Design by Takayuki Yanase.



† It doesn't wear a sensor mask because it isn't assumed to be utilized by Fereshte.

† The rifle and shield are prototype versions for the Nadleeh.



→ Due to the GN Condenser equipped on its back, it has the ability to utilize a large quantity of GN Particles.

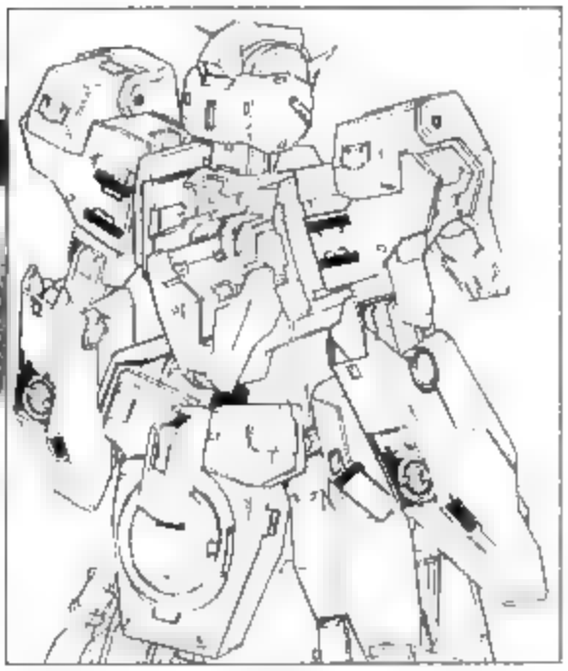
SHERILYN'S DELVING INTO THE SCIENCE

Chapter.04

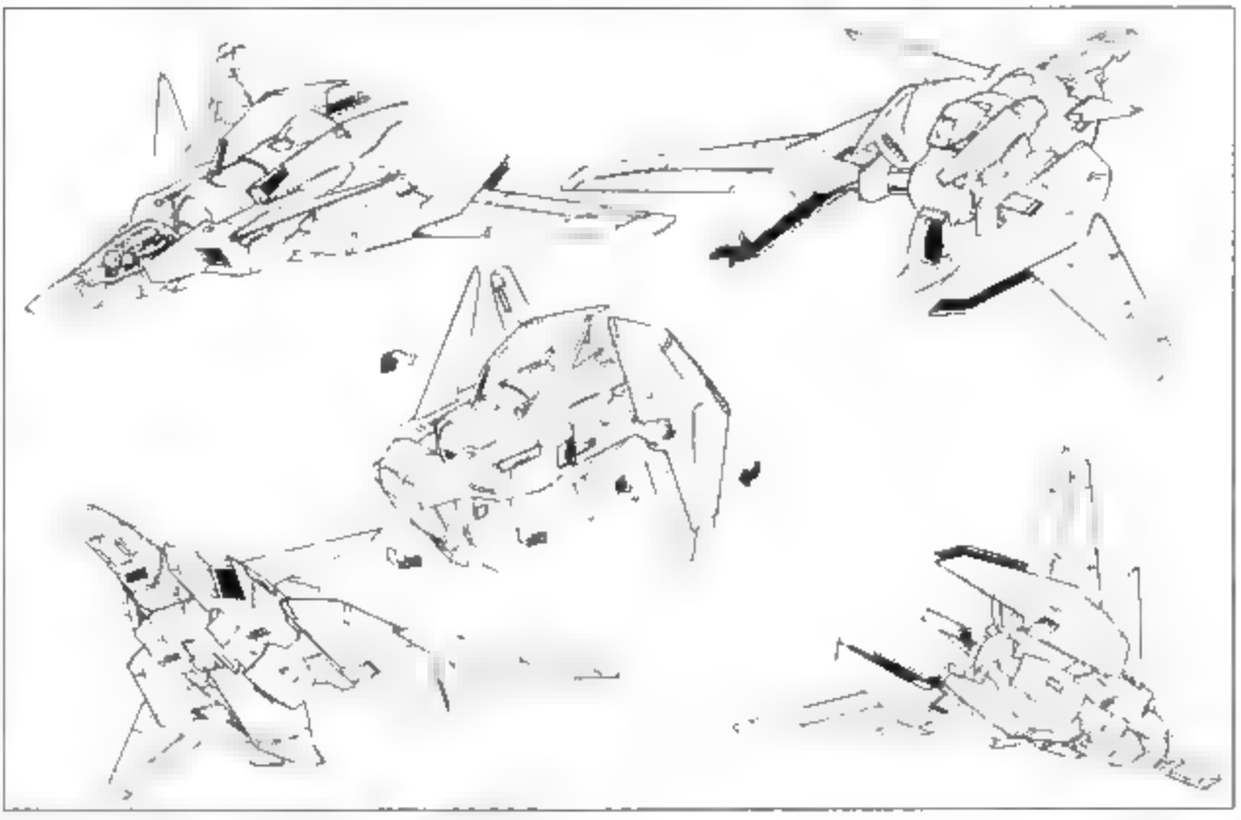
Hanayo is always kept inside the small all-purpose machine Haro. A three dimentional projection is made from within the Haro, and it has an entirely different character from the Haro. She was together with Chal aiding with the development of the second generation Gundams She can link directly with Veda making her existence extremely special. She is funaamentally different from the Haro on the Ptolemy.

CORE FIGHTER

コアファイター



In order to protect the GN Drive and the Gundam Meister, the Plutone is equipped with a Core Fighter. Its abilities are limited; it has no combat abilities because it is used primarily as an escape unit. Design by Takayuki Yanase.



* The main thruster of the Plutone can be used just as it is with the solar furnace. The cockpit is in the lower part of the unit.

SHERILYN'S DELVING INTO THE SCIENCE

Chapter.05

The GN-004 Nadleeh was equipped with the Trial System, a system that has the ability to control all units linked with Veda. The Plutone, the proto unit of the Nadleeh, was planned to be equipped with it as well. But then Fon's nexk collar exploded... If he wasn't wearing his pilot suit at the time, he would have been in trouble. Because Veda is a rationalist, it was too small of an explosion to kill him.

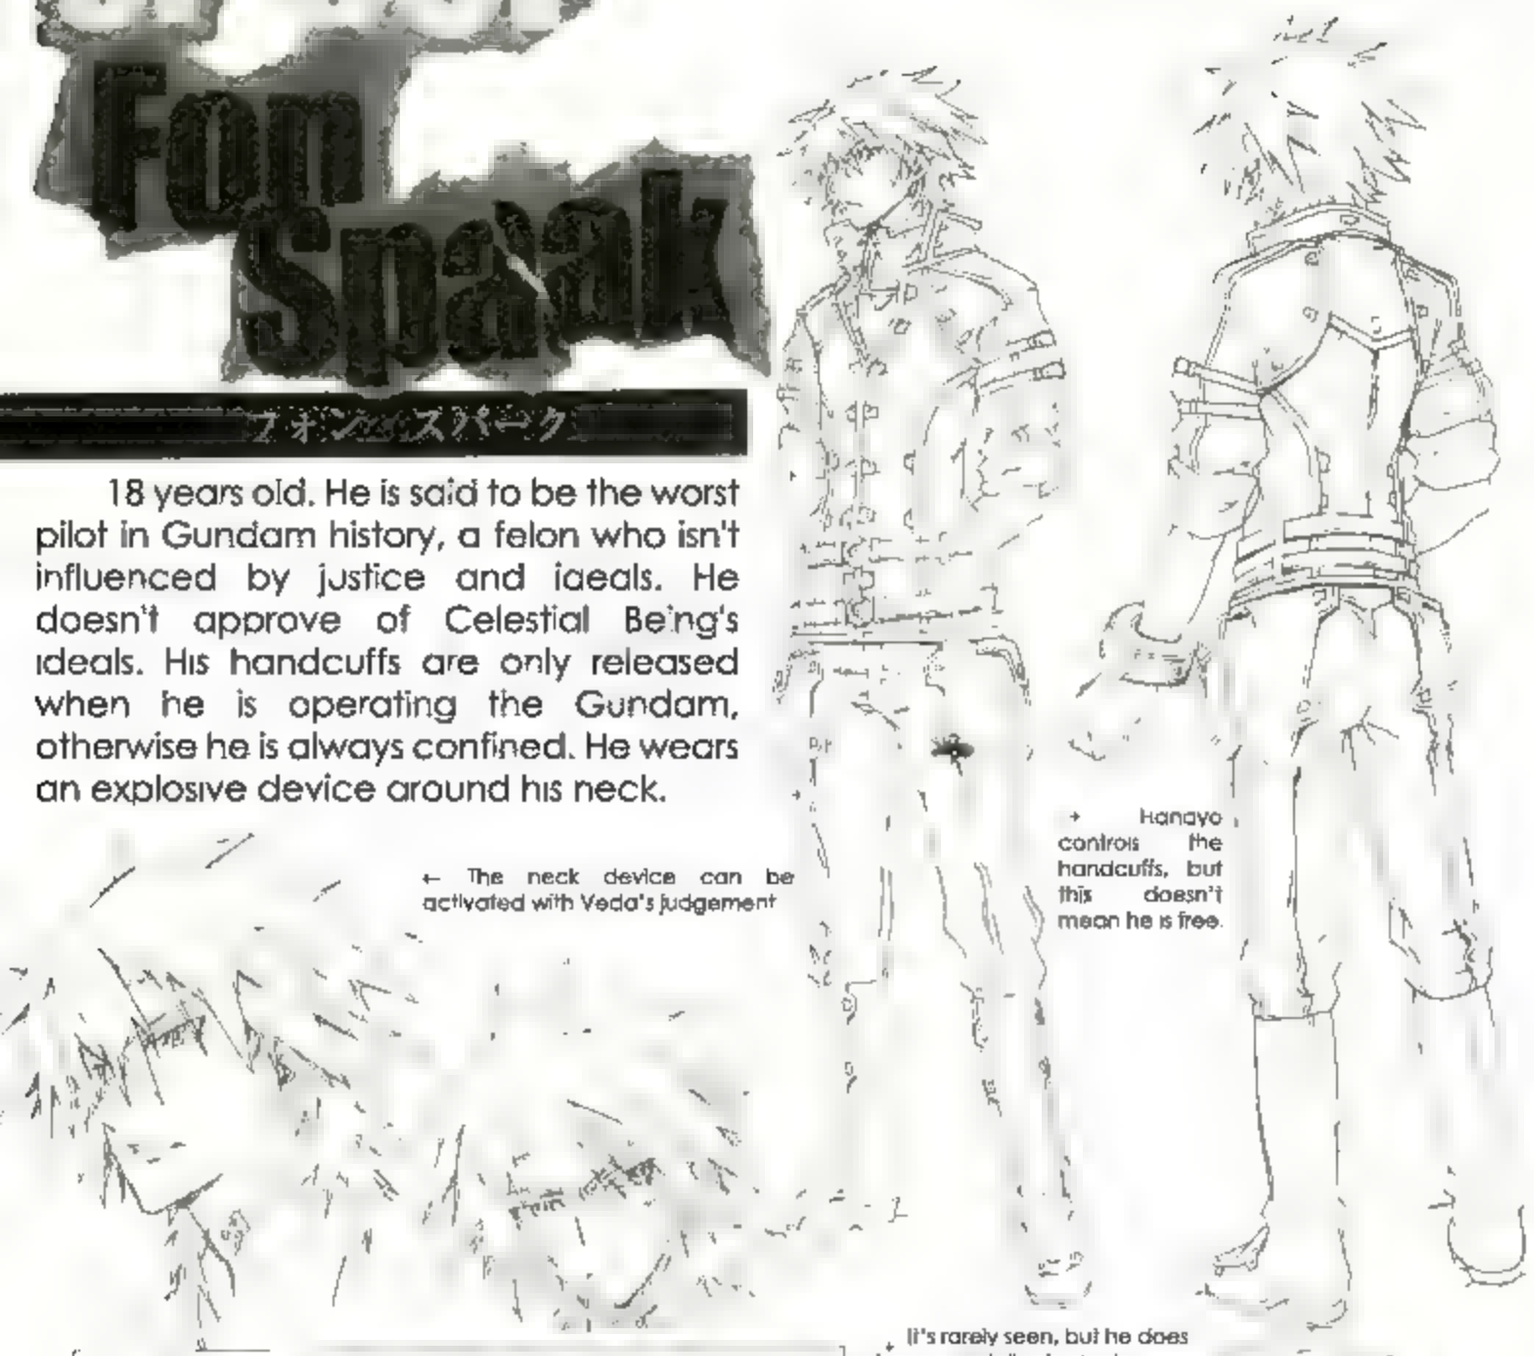
Fon Spark

フォン・スパーク

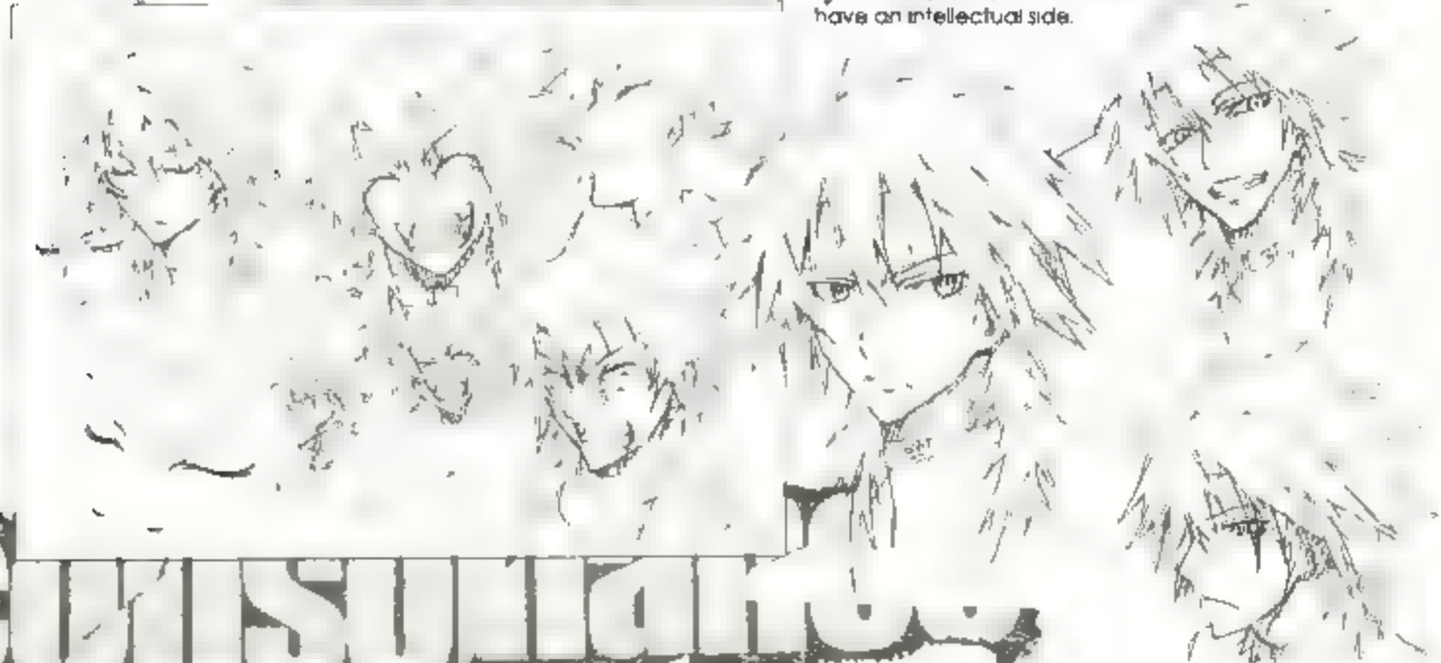
18 years old. He is said to be the worst pilot in Gundam history, a felon who isn't influenced by justice and ideals. He doesn't approve of Celestial Being's ideals. His handcuffs are only released when he is operating the Gundam, otherwise he is always confined. He wears an explosive device around his neck.



← The neck device can be activated with Veda's judgement

→ Hanayo controls the handcuffs, but this doesn't mean he is free.

↓ It's rarely seen, but he does have an intellectual side.



Consortance

Shall Ageisticc

シャル・アクスティカ

31 years old. Director of Fereshte. As a first generation Gundam Meister, she was involved in the development of the Gundams. She has a large scar in her heart. She hides her grief while maintaining a strong appearance.

← In the past she lost her comrades due to an accident involving the Plutone, which seemed to affect her greatly

Sheriliyn Hyde

シェリリン・ハイド

14 years old. Mechanic. In addition to being Celestial Being's mechanic, she is a pupil of Ian Vashti and possesses superior technological skills for being so young. She is silent and rarely expresses herself.

← Although quiet, she keeps her childishness hidden inside. She has a fundamental trust of people.

↑ Her attire appears girly because she doesn't think of herself as a mechanic

HANAYO

ハナヨ

A three dimentional representation of a young girl. Her image is projected from an all-purpose machine resembling Haro. She is tasked with various responsibilities within the organization such as communications with Veda and control of Fon's handcuffs. Her existence is considered vital.

← A small all-purpose machine (autonomous AI) stationed with Fereshte. It shares its design with the with the Ptolemy's Haro, but it surpasses its abilities thanks to a number of improvements.

← There are many mysteries, such as its connection with Veda and it is assumed to possess important secrets.

30 years old. Having been removed as a candidate as a Gundam Meister of Celestial Being, he came to Fereshte. Although his abilities are unknown, will they become evident one day?

→ He wears a replica of an AEU uniform. Is it related to his past?

+ Out of its members, he is the most outspoken. He also has many hardships.

MOBILE SUIT GUNDAM OOF [VOLUME.01]

RELEASE NOTES PAGE

Well now, here we are again!

It's been a while since we've spoken. How the hell are you? Zeonic is happy that you've been through yet another one of our stellar releases, and we'd just like to let you know that Volume.02 is RIGHT AROUND THE CORNER! Seeing that this release is taking later than usual, we're gearing up for the 2nd volume to come out on October 25th so we can roll right into that for all of your Great Fun!

We're still looking for people to help out, but we do want to inquire about translators this time primarily. We have a new initiative that we'd like to try. For those interested please read below.

Until then, we'll see you all in the next release!!

TRANSLATORS: We are always looking for translators to help speed up project turnaround times. This would be a HUGE asset to our group because of the amount of backlogged projects that we do have. Senior year college Japanese students or fluent applicants only, please. You can apply for a translation checker if you don't wish to commit to a full position. :)

PHOTOSHOPPERS: Ah yes, what would we do for a while. Poor Zanku is so overworked, we're looking for experienced manga photoshoppers. While we do appreciate the efforts of those who want to help out have no experience, it just causes more work for us to fix in the end. If you've been using photoshop for a while, this is a huge asset.

QUALITY CHECKERS: We're looking for people to scrutinize our releases. We want errors (wrong/missing/bad fonts, blemishes/shots cropped out, etc.) this is the final position before the project gets released, so it's also the most time consuming.

Thank you to all of the fans out there who continue to make the Zeonic|Scanlations name a reputable name in the gundam community, we're dedicated to providing you with the highest quality possible! You make us what we are!
